

Online Training Course

Certificate of Bat Acoustics Analysis

Technician Level Graded Assessments

Upon completion of the course all participants receive an ungraded **Certificate of Completion**. In addition, participants can choose (for no additional fee) to have a graded '**Technician Level**' assessment carried out.

These assessments take place every quarter. Within the assessment period, you choose the 2 hour time slot that suits you best, from those available. Time slots are usually during a normal working week (Mon to Fri), between 10:00hrs & 17:00hrs.

Forthcoming '**Technician Level**' graded assessment periods are as follows (updated quarterly):

10.01.2022 to 14.01.2022

11.04.2022 to 15.04.2022

11.07.2022 to 15.07.2022

17.10.2022 to 21.10.2022

Fuller details about this are available once you join the course.
